

## REDEEM

As we all know we all are somewhere hustling and bustling to be successful, want to live our dreams, trying to overcome some fear, anxiety, or a bad habit.

What happens in reality is we are waiting for someone to tell us that you can do anything. Open a big organization, travel the world, overcome your fear but forget to realize on our own that you don't need someone to trigger you always. We all have our strengths, abilities and we all are unique in some way or another.

So our storyline conveys this message by the example of Lord Hanuman, he was having enormous power inside him. He was blessed with the power of immortality. Just because of a curse he forget all his power that resides in him. And Jamwant ji comes when they were at a mission of rescuing Sita ji from Lanka. Jamwant ji reminds Lord Hanuman that he has enormous powers in him and can fly off the ocean to meet Sita ji. Hanumanji recognises his power, goes to Sita ji crossing the ocean.

So we also want to tell you people that in us Hanuman ji resides. He is still immortal but Jamvant ji is no more.

In the end we just want to remind you that whatever you want to do in your life be it becoming an entrepreneur, be it overcoming a fear, bad habbit or travel the world.No one is going to tell you, you have to self aware. Instead of worrying, start taking action and work on it. Definitely you will achieve your dream.

Thank you.
